

Press Release 30.11.2008

Almarai plan to further expand its bakery business by opening a new factory in the Al Kharj area.

At the Board Meeting on November 29, 2008, the Board of Directors of Almarai approved the investment of SAR 200 million to build a new factory for the production of bread and pastry together with new production facilities for its dairy and food business near our existing Central Processing Plant. This is part of 5 year plan approved in June 2008.
