

12/11/2015

**Addendum to the announcement from Almarai Company regarding the power outages in some of its manufacturing facilities in Al Kharj**

Further to Almarai Tadawul announcement dated November 4th 2015, related to the power outages in some of its manufacturing facilities in Al Kharj, Almarai is pleased to announce to its shareholders, that the power supply level has been restored as of today November 12th 2015 in all its facilities in the Al Kharj area.

As previously announced the estimated financial impact of this incident is relatively limited and will not be significant to the consolidated financial results of the fourth quarter of 2015.
